HABARI FROM THE ZIEMS - DECEMBER 2021

Merry Christmas & Happy New Year!
The SON Teams in Morogoro & Dodoma took some well deserved time to fellowship and celebrate the birth of Jesus before closing the workshops for the Christmas Holiday. We had lots of fun, food and games.
Alphonsi graduated from Form IV!

We are so proud of him. It was a great day. He will be anxiously awaiting the exam results which most likely won't be available until late January or February.
A reminder............We have a new U.S. mailing address. Please make sure you update your records!

It is so exciting and encouraging for the SON Team to be able to share the Living Water of Jesus by providing families with a water filter that will give them clean drinking water for years to come! We are still compiling the final information, but we know that more than 1500 filters have been made and installed in 2021!

Thank you everyone who made this possible!
The prayers of a righteous man are powerful & effective!
Please pray with us........

- Praising God for his amazing provision over the past year. Our funding partners, Thirst Relief, and through them, Aqua Gear Foundation, as well as so very many of you have been so very very generous. We are so very
grateful as we were able to provide a record number of Tanzanian families with filters again this year!

- For us, along with the entire SON Team to place trust in God each and everyday.
- For each of the SON families for protection and good health. It seems like every year at this time, there is a lot of sickness. Many of our team are traveling during this holiday.
- For wisdom and grace as we plan and schedule activities for the next year. That we will be open to the voice and leading of the Holy Spirit. That we will be servants of the Most High.
- For our continuing ministry work in the areas of Puberty and WASH Education in the local primary schools. That God will be glorified.
- For additional volunteers & partners that have a heart for sharing Jesus in practical ways, especially in the areas of education & outreach.
- For God to continue to provide the necessary financial resources to accomplish His purposes here. We have set a budget for the coming year and are trusting in God that we will be able to meet it!

We were able to visit the Dodoma workshop this past week and discuss plans for the coming year. We also visited Saimon's family. Todd was reacquainted with his buddy Arnold and we met Melchizedek the youngest member of the SON family. He is four months old and very photogenic!
Looking for the Perfect Holiday Gift?

SON International has the answer.

Donate $105 or more to SON International during the month of December and receive a water bottle as a Thank You.

Your donation will go towards giving a Tanzanian family a bio-sand water filter for clean water and hear about the real gift of Jesus the Living Water this Christmas.

*The Spirit and the Bride say "Come!", And let him who hears say, "Come!", whoever is thirsty, let him come; and whoever wishes, let him take the free gift of the water of life."

Revelation 22:17
