

HAPPY BIRTHDAY TODD !

Celebrate

WORLD TOILET DAY!

**November 19th is Todd's Birthday
&
World Toilet Day!**

Deuteronomy 23:12-13
Designate a place outside the camp where you can go to relieve yourself. As part of your equipment have something to dig with, and when you relieve yourself, dig a hole and cover up your excrement.

The SON-TZ Team has been doing a fantastic job working together making and installing filters as well educating children & adults about the importance of clean water and proper sanitation. They have been sharing the hope and love of Jesus in all of their activities. Here are a few pictures.....

The importance of safe & clean toilets is essential to good health because it significantly reduces the spread of germs and disease. Proper sanitation protects both people and water sources. Consider a donation to celebrate Todd's Birthday! This will help the SON Training team to educate both children & adults on the impact that using an improved toilet can have on their health.

The prayers of a righteous man are powerful & effective! Thank you for praying with us.....
