

John 4:14
"but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life."

22 March is World Water Day!

It is always a time that puts a global focus on the importance of water for each of us individually as well as the world as a whole. Our prayer for each of you on this world water day is that you will drink the living water which will lead to "a spring of water welling up to eternal life."

SON-TZ Team Leaders

In January the SON-TZ leadership team met to organize and plan for the year. Roles were defined and responsibilities assigned. Of course there was time for a meal of chicken & chips!

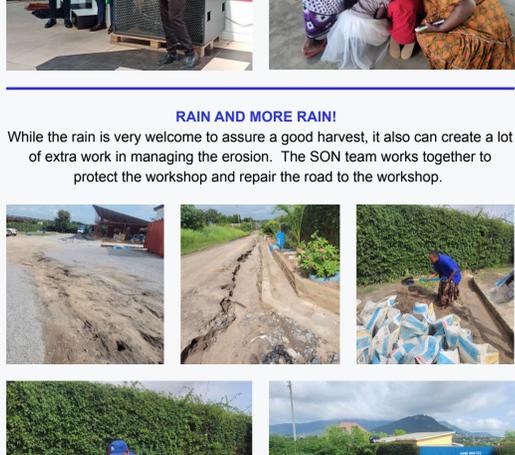

MAYUNO VILLAGE

The Kemondo Team, due to a generous partner, provided filters to 24 homes in Mayuno Village located in Northern Tanzania, requiring a lot of organization and coordination! The adventure involved taking the filters to the Kemondo Port close to the filter workshop, loading them onto a boat for transport across Lake Victoria to the Mwanza Port. They were unloaded from the boat and into a large truck for transport to Mayuno Village, where they were off loaded and then distributed to the individual homes of those who attended the filter seminar. Here are a few pictures to give you a better idea...

Traveling during the rainy season has its challenges. Adriano was traveling to teach several filter seminars and participate with a partner's church service when he was delayed.....

It was certainly an interesting trip. Fortunately, after some time he was able to use the newly installed footbridge and make it to his destination.

Here are a few pictures of the many seminars and filter awareness building outreach over the past couple of months in communities throughout the Morogoro Region! The Team has been working very hard.

While the rain is very welcome to assure a good harvest, it also can create a lot of extra work in managing the erosion. The SON team works together to protect the workshop and repair the road to the workshop.

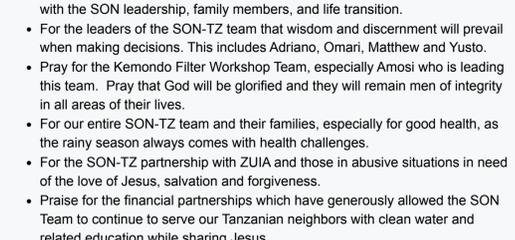

STATESIDE ACTIVITIES

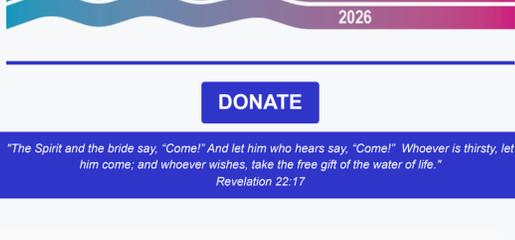

Todd & I are currently in the Michigan "enjoying" the cold weather! It is a blessing to be able to worship with and spend time with family and friends. A ski trip at the end of February was quite the event! We will be stateside until the middle of May, so if you would like to learn more about what is happening in Tanzania or just spend some time catching up please reach out!

It was a privilege to attend the Launch Party of a brand new company Alltruu! The company was created to help fill the "gap"! They have amazing products and a very unique and strategic way of doing business. Check them out! www.alltruu.com

Thought you might like to know Todd's two walking partners!
 Jones in Michigan and Simba in Tanzania.

The prayers of a righteous man are powerful & effective!
 Please commit to praying with us.....

- For us, along with the entire SON Team to place trust in God each and everyday.
- For us, that God will be glorified and blessed by our decisions and transactions with the SON leadership, family members, and life transition.
- For the leaders of the SON-TZ team that wisdom and discernment will prevail when making decisions. This includes Adriano, Omari, Matthew and Yusto.
- Pray for the Kemondo Filter Workshop Team, especially Amosi who is leading this team. Pray that God will be glorified and they will remain men of integrity in all areas of their lives.
- For our entire SON-TZ team and their families, especially for good health, as the rainy season always comes with health challenges.
- For the SON-TZ partnership with ZUIA and those in abusive situations in need of the love of Jesus, salvation and forgiveness.
- Praise for the financial partnerships which have generously allowed the SON Team to continue to serve our Tanzanian neighbors with clean water and related education while sharing Jesus.
- For the communities of Mkoko and Bwawani that those living there will be open to the love and hope of Jesus the Living Water.

DONATE

"The Spirit and the bride say, 'Come!' And let him who hears say, 'Come!' Whoever is thirsty, let him come, and whoever wishes, take the free gift of the water of life."
 Revelation 22:17
